A discussion session was organized in the college premises prior to the formal signing of the Memorandum of Understanding (MoU) between S.N.S.M.K. Govt. College, Behrampur Bapauli, Panipat and Haryana State Electronics Development Corporation Ltd. (HARTRON). The session aimed to deliberate upon the objectives, scope, roles, and expected benefits of the MoU to ensure mutual clarity and alignment.

Objectives of the Discussion

1. To review the draft MoU and deliberate on the key points.
2. To highlight the objectives of the collaboration for skill development, IT training, and digital literacy.
3. To clarify roles and responsibilities of both parties (College and HARTRON).
4. To discuss implementation strategies for training programmes, faculty development, and student involvement.
5. To ensure transparency in financial arrangements and certification processes.

Proceedings of the Session

- The Principal, faculty members, and placement cell convenor of the College participated in the discussion.
- Representatives from HARTRON shared their vision, scope of activities, and resources to be extended under the MoU.
- Detailed deliberations were held on:
 - ✧ Skill development programmes and short-term IT courses.
 - ✧ Research and innovation support for students.
 - ✧ Faculty development initiatives.
 - ✧ Internship and placement opportunities for students.
 - ✧ Financial arrangements and free-of-cost certifications.
- Queries from faculty and students were addressed by the HARTRON team.

- Both parties agreed on forming a Joint Coordination Committee (JCC) for monitoring implementation.

Outcome

- Consensus was reached on all clauses of the MoU.
- Both parties reaffirmed their commitment to promoting IT skills, entrepreneurship, and digital literacy.
- The session concluded with mutual agreement to proceed with the formal signing of the MoU on the decided date.

Conclusion

The Discussion Day proved to be a constructive platform for aligning expectations and finalizing modalities for the MoU. The deliberations created a strong foundation for the upcoming collaboration, which is expected to benefit students, faculty, and the larger academic community.
